NO SCHOOL - Holiday

Dates are subject to change due to the COVID-19 situation. Please watch for updates.*

Dear Middle and High School,

We are working feverishly to get ready to welcome students on campus again. We are excited that we are able to do this.

However, due to health concerns of some of our staff, we cannot have everyone on campus for classes five days a week. We are working on a hybrid schedule where high school will be at WVCS on Monday & Wednesday and middle school students will be here on Tuesday & Thursday. On the days that students are not at school, most students will have some Zoom classes and/or will be able to work on assignments.

Fridays will consist of scheduled chapels, tutoring and some math classes. We do not have a schedule complete at this time, but we will let you know as soon as we do.

We will be taking many safety precautions to prevent the spread of COVID-19.

- Students will remain in one cohort, according to their grade level. If a COVID-19 case is diagnosed, that cohort will need to go into quarantine for at least 10 days.
- Students will be checked in and given hand sanitizer before they enter the classroom.
- Oregon Department of Education and the CDC no longer recommends wearing face shields for kindergarten and up, except for medical exceptions, as they do not feel they provide as much protection as cloth face masks. Please be sure your child's mask fits correctly and does not constantly slip down. Also, if their mask is cloth, they need to wear a freshly washed one each day.
- Air purifiers will be in all the classrooms.
- Students will need to maintain 6 ft. of distance, including during lunch, passing time and during classes. Desks in classrooms will be arranged to meet those specifications.
- Desks, chairs, light switches, doorknobs, and any other equipment that has been touched will be disinfected each time a class leaves the room.

We will keep you informed as we move closer to February 1st. Please continue to pray for this process, that we will have a smooth transition and have God's hand in it every step of the way.

BOOK/DVD/CD SALE

Back in November, the high school student council informed you of an upcoming fundraiser for the anticipated Mexico mission trip to occur during spring break if allowed under Covid-19 guidelines. Since then, we have decided to decrease the number of days for dropping off the donations, and for the dates to come in and shop the sale of the items donated.

Book/DVD/CD sale dates:

January 19th & 20th in the elementary gym from 3:15pm-5:00pm

The student council would like to thank you for your help and support in their Mexico mission trip fundraiser. If you have any questions, please feel free to contact Mrs. Ferguson at kferguson@wvcs.org or through the school office.

WVCS Soccer Season

It's finally here! Our high school boys soccer and middle school soccer seasons are about to begin!

Practices start February 22nd. Our coaches need to know who is interested in playing so please contact them ASAP!

HIGH SCHOOL BOYS – Coach Char Quinones, 503-407-2265 (text or call)

MIDDLE SCHOOL (5th-8th grade) – Coach Becky Keith – bkeith@wvcs.org

Don't forget, we will need up-to-date physicals and there is a \$50 athletic fee for middle school and a \$100 athletic fee for high school. Additional paperwork also needs to be completed. Please call the office for more information.

GO WARRIORS!!!

Random Day – USA Day Thursday, January 28th

The HS student council has chosen to show their USA spirit for the January random day, Thursday, January 28th. Join in with your red, white and blue attire.

Elementary teachers please let your families know if there are any restrictions to what can be worn in the classroom, ie. face paint. The middle/high school has typically kept to the rule that application of hair and/or face paint must be applied before arriving on campus.

WISH LIST

Have you thought of donating but aren't sure just how or what to donate? We have started to put together a wish list of items. Please note this list may change over time as needs are discovered and/or met.

- 4 computers for our elementary computer lab (please contact Mr. Greg Gallagher at ggallagher@wvcs.org for more information)
- Door handles for the modulars, so teachers can lock them from the inside in a lock-down situation (approx. \$150/each).

Please contact Debbie Tipton at dtipton@wvcs.org or 503-393-5236 with any questions. Thank you!
