Capital Campaign Project Update

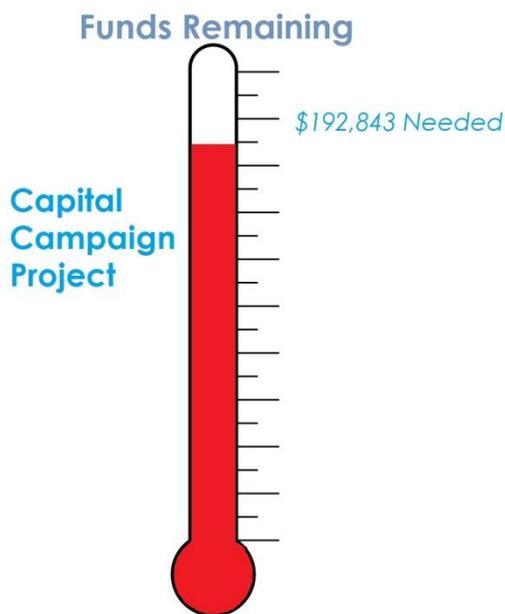

God is good! We have been granted temporary occupancy and were able to host the last few high school volleyball games in our new gym! This was only made possible by volunteers and businesses who donated their time and money to help get the project to the point that it is today.

HOWEVER, we aren't done yet! There are still some items to be completed before we can be granted full occupancy. Donations of money and specific items are still needed in order to make this happen.

Please contact Debbie Tipton at dtipton@wvcs.org or call the office at 503-393-5236 and find out how YOU can help! Better yet, come take a tour and see just how far we have come!

Another way you can help is by spreading the word and giving businesses and acquaintances our campaign material and asking for their help on this project. Social media crowd funding applications is also available that you can share electronically. When you have a contact who you think may want to donate, we can contact them to give more information if they would like to make a donation. A donation may be made in your family name, if that is the desire of the donor. Various levels of recognition will be provided to honor donors. A link has been created for the capital campaign on our website, to enable people to donate online:

WVCS Facebook Pages

Did you know we have TWO Facebook pages? One is for general school information and the other highlights our athletic program.

Be sure to go on Facebook and LIKE them both! Stay up-to-date on all the latest information!

Morning Drop Off/Parking

All students arriving prior to 7:45 must be dropped off and checked in at the gym. After 7:45, we ask that as you drop off your student in the mornings, please pull forward in the front of the main building so traffic can move smoothly. If you plan to stay a while, please park along the side of the school on Riverton or Rockdale st. Student drivers are to park along Rockdale between the gym and the preschool building. The gravel parking in the back by the modulars is for staff.

Thank you!

Volunteer Driver Application

If you plan on driving for a field trip or athletics and will have students other than your own in your car, you will need to complete a Volunteer Driver Application. The form may be found on the website under Resources and Downloads or in the main office. Don't wait until the last minute! If you have any questions, contact Julie or Sheila in the front office.

Scrip

Have you purchased Scrip yet? Do you know what it's about? Scrip are gift cards (anything and everything). You pay face value and WVCS gets a percentage, earning money for your school! ALSO, you earn FOS hours for each dollar you spend!

Stop by the office today and check it out!

Support Your WVCS Athletes!

If you didn't already know, we have several teams playing right now! In fact, at any given time, there are plenty of opportunities to cheer on your WVCS student athletes.

Follow the WVCS Athletics Facebook page, check our calendars or just ask a student and come cheer on our teams!

Character Day – October 31st

Once upon a time, the WVCS students and staff were asked to participate in a random day...

Please be sure to let your student/s know the specifics for dressing up on Character Day as we want to be sure to follow a Christian example. The high school student council has asked that participation in character day be focused on super heroes, Disney characters, sports players, Bible characters, and storybook characters. They are asking for students to stay away from villains, witches, ghosts, werewolves, vampires, or supernatural creatures. No masks are to be worn.

Have you thought of donating but aren't sure just how or what to donate? We have started to put together a wish list of items. Please note this list may change over time as needs are discovered and/or met.

- Replacement of blinds in the 2nd/3rd grade classroom
- 4 computers for our elementary computer lab (please contact Mr. Greg Gallagher at ggallagher@wvcs.org for more information)
- Door handles for the modulars, so teachers can lock them from the inside in a lock-down situation (approx. \$150/each).
- Computer headsets with microphones for Spanish class

Please contact Debbie Tipton at dtipton@wvcs.org or 503-393-5236 with any questions. Thank you!
