Capital Campaign Project Update

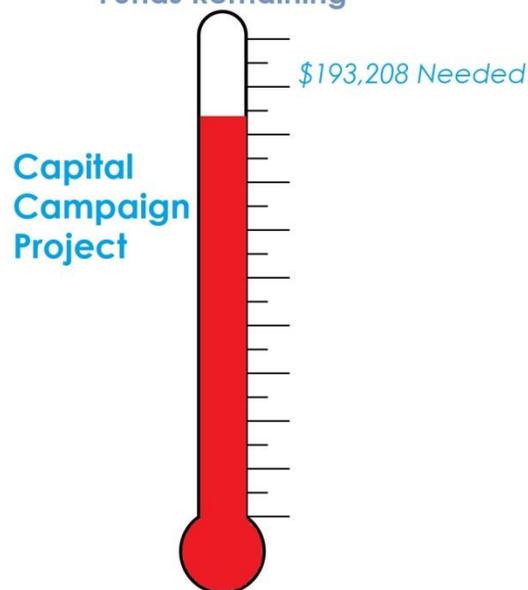

If you haven't had a chance to see the progress in the gym, just contact the office and we'll be sure to give you a tour! Our student body, staff and alumni are excited to see that the building gets closer to completion with ever donation received.

A brochure has been sent to businesses and members of the community to raise some of the remaining funds that are needed. We began with \$224,000 needed but thanks to a generous \$10,000 grant from OSAA and other donations, we are now down to \$192,208 remaining. In total, we have already raised approximately \$844,792. As we step out in faith, we need your help in money, time, or specific material donations to meet this goal.

Another way you can help is by spreading the word and giving businesses and acquaintances our campaign material and asking for their help on this project. Social media crowd funding applications will also be available that you can share electronically. When you have a contact who you think may want to donate, we can contact them to give more information if they would like to make a donation. A donation may be made in your family name, if that is the desire of the donor. Various levels of recognition will be provided to honor donors. A link has been created for the capital campaign on our website, to enable people to donate online:

Adopt-A-Staff

One way to bless the amazing WVCS staff members is by adopting them! No, you don't have to take them home with you, but you DO get to shower them with words of encouragement, little gifts or come up with other creative ideas you come up with that tell them how much they mean to you!

We have *16 more staff members* that need adopting! If you would like to bless one of them, please contact Erica Gordon at ericalee.gordon@gmail.com.

Don't forget that this will also count for FOS hours while you put a smile on the faces of the staff!

WVCS Facebook Pages

Did you know we have TWO Facebook pages? One is for general school information and the other highlights our athletic program.

Be sure to go on Facebook and LIKE them both! Stay up-to-date on all the latest information!
